Policy Regarding Referrals of Suspected Fraud or Criminal Misconduct

The University has a policy regarding the reporting of suspected fraud or criminal misconduct. This policy is outlined in Title IV, HEA, and is designed to ensure the integrity of the institution. The policy requires that any suspected fraud or criminal misconduct be reported to the appropriate authorities. The policy also outlines the procedures for investigating such reports and the consequences for those who engage in such behavior. The policy is intended to protect the interests of the institution and its students, and to ensure that all members of the community are held accountable for their actions.
