

SUBRECIPIENT AND CONTRACTOR DETERMINATION FORM

OMB Uniform Guidance, 2 CFR 200 section 200.330 requires a case determination of whether this form will be used by Lamar University to document this required determination.

- Subrecipient ±An entity that will carry out part of an award received by Lamar University.
- Contractor ±An entity from which Lamar University will purchase goods or services for its own use in carrying out the award.

Check all that apply. This assessment should be considered in determining the type of agreement.

Determination

Judgment must be used in determining whether an entity is a subrecipient or a contractor. The substance of the relationship is more important than the form of the agreement.
