## LAMAR UNIVERSITY NOTES/COMMENTS

### Technical Credit Policy

Per Lamar University policy, the BS in Family Studies program can accept up to 36 hours of technical credit. However, the amount that is actually applied to the degree will vary based on the content of the AAS degree being transferred. Students should discuss technical credit with an academic advisor in the Department of Nutrition, Hospitality & Human Services. The Family Studies program allows students to use technical credit to satisfy degree requirements under the following conditions:

- Students must have satisfactorily completed the courses with at least a grade of C in all courses (or demonstrated satisfactory performance).
- Technical credit must be from a regionally accredited institution.
- Technical credit must be applied en bloc to the relevant degree program.
- Technical credit may not be substituted for upper division courses.
